Who Will Tell The People The Betrayal Of American Democracy

Who Will Tell The People

Who Will Tell The People
The world to which Who will tell the People relates is now behind us, somewhere on the other side of Lewis Carroll’s famous looking glass. As our national clock ticks off the passage of years, fewer and fewer Americans recall what the United States once looked like, what it was like in fact, what its principles and aspirations were, what the Constitution of the United States and our Bill of Rights actually meant, and what those things made possible that — if the status quo holds — may ...

Who Will Tell the People is a passionate, eye-opening challenge to American democracy. Here is a tough-minded exploration of why we're in trouble, starting with the basic issues of who gets heard, who gets ignored, and why. Greider shows us the realities of power in Washington today, uncovering the hidden relationships that link politicians with corporations and the rich, and that subvert the ...
