Whistle In The Dark

whistle in the dark, to To try to call up one's courage or hopefulness in a difficult or frightening situation. The literal idea is a very old one, attested to by John Dryden in Amphitryon (1690): "I went darkling, and whistling to keep myself from being afraid."

Whistling in the dark definition and meaning | Collins ...

Whistle in the Dark kicks off where most novels conclude: with what comes after the big event. Lana Maddox has recently been rescued and is safe in hospital, having been missing for four days in the Peak District National Park in central England. Rather than confusing us with a convoluted plot twist – like so many contemporary novels – Emma Healey's newest offering sets up the mystery on the first page and then moves through

a straightforward process of solving it. How very ...

Whistle In The Dark

Emma Healey's second novel, Whistle In The Dark, is about a mother, Jen, and her 15-year-old daughter Lana. One day, while the pair are on a painting holiday in the Peak District as a mother-daughter bonding exercise, Lana disappears. She's found a few days later, dehydrated, bleeding from a head injury and with what seem to be rope marks around her ankles, but all she'll tell her parents, and the police, is that she went out to the shower block at their camp site and 'got lost'. The story ...
