Assessment Of Catholic Religious Education

[Assessment Of Catholic Religious Education](#)

Assessment Of Catholic Religious Education

NCEA's analysis of the students' responses to the Assessment of Catholic Religious Education (ACRE) surveys during the 1994-95 academic year. This book tells the story of not only what youth knows about their faith, but of how they put their faith into action.

Assessment of Catholic Religious Education

The ACRE (Information for Growth Assessment of Children and Youth Religious Education -IFG: ACRE) is produced by the National Catholic Educational Association and serves as an integrated approach to assessment offering both faith knowledge (cognitive domain) as well as beliefs, behaviors, attitudes, and practices (affective domain) sections. Results of the IFG: ACRE are used by Catholic schools and in the Archdiocese of Atlanta to guide the implementation and development of religious ...

Assessment of Catholic Religious Education - Queen of ...

IFG ACRE (Assessment of Child/Youth Religious Education) is a tool to help Catholic schools and parishes assess how well their religious education programs are forming committed Christian disciples. IFG Adult Survey is a tool designed to assess and identify on-going formation needs for adults. These tools can be administered completely online (recommended for fastest results) or offline based on the needs of the organization.

NCEA IFG - Information for Growth

Religious Education: Growing Successfully in Assessment, Evaluation and Reporting 3 Further to developing knowledge and disciplinary skills, Religious education seeks also to foster in students the attitudes and values that are part of faith and constitute the Catholic stance within the world.

Religious Education: Growing Successfully in Assessment ...

Assessment is the purposeful and systematic collection of information about students' learning. In Religious Education, students are assessed against the Achievement Standards in the Good News for Living curriculum. These describe the expected achievement for students who have been taught the associated curriculum content for a particular year of schooling. Both formative and summative assessments provide evidence that enables judgments to be made about a student's learning and informs ...

Assessing Pupils' Progress in Religious Education

We're on our way to a new horizon in Catholic religious education. Here is where we are going. I hope that by time you finish reading this manifesto or the book, you will be able to say along with me in confidence each of the following statements. "I am not a teacher." Yes, you read that right. A catechist is not a teacher and in many ways a religion teacher is not a teacher. What do I ...

A New Vision for Catholic Religious Education | The ...

Who is responsible for determining the content and assessment of Religious Education in Catholic schools? The content of Religious Education (RE) and how it is assessed is determined by each diocesan bishop for the schools within his diocese.

Religious Education in Catholic schools

Momentum, v31 n4 p60-2 Nov-Dec 2000 Reports that the Assessment of Catholic Religious Education (ACRE), which looks at content and technical properties of Catholic education, is being revised. Provides a projected time line for the revision process and states that the new version will be available for the 2001-2002 school year.

Assessment of Catholic Religious Education: Revision ...

A student's personal faith is not the subject of assessment or reporting within religious education. Clark, H. & Avrith, T. (2015). The Google Infused Classroom, a guidebook to making thinking visible and amplifying student voice. Irvine, California.: EdTechTeam Press.
