

Blades, Inc. Case**Decisions to Use International Financial Markets**

As a financial analyst for Blades, Inc., you are currently involved with Blade's cost-of-capital strategy. "Blades" (also known as "Blade") is the name of the company's primary product. The cost of capital is the rate at which the company's cash flows are discounted to their present value. The cost of capital is a relatively easy task. Specifically, you estimate the cost of capital to be 10% (WACC) for the company. The cost of capital is the rate at which the company's cash flows are discounted to their present value.
