Financial management cases are managed through NCAT's Guardianship Division. What is financial management? An application for financial management means you are asking NCAT to appoint someone as the financial manager for the person who is the subject of the application.

Financial management - ncat.nsw.gov.au

Cases are unlike "back of the book" problems. The real world often does not fit nicely into the academic finance models. Since financial management is an applied discipline, it is important to provide for experiential learning. Experiential learning can be accomplished with internships and co-ops.
