"Jakab has crafted a cool-headed guide for those who are of necessity the part-time financial managers of their own retirement accounts... Heads I Win, Tails I Win provides a plain-spoken and accessible starting point for busy part-timers anxious to improve their odds. If you're one of those people for whom investing is more art than science, this book is for you. Even if you think it's more science than art, it's also worth reading, if only to learn how the other half thinks."
