Hop on Pop showcases the work of a new generation of scholars—from fields such as media studies, literature, cinema, and cultural studies—whose writing has been informed by their ongoing involvement with popular culture and who draw insight from their lived experiences as critics, fans, and consumers. Proceeding from their deep political commitment to a new kind of populis

Bilingual is their last of great albums, a checkpoint-charlie between the lost magic and the ongoing craft. I'd risk to call it a concept album, with an untold story behind it, an overall message wrapped in cerebral tunes. The outstanding b-sides don't drive away from the album at all - they just depict the amount of material the Boys had then, and how much energy, magic, and melancholy was in ...
