'How Many Miles to Babylon?' by Jennifer Johnston ...

For such a brief book, How Many Miles to Babylon is a work of startling delicacy and power. Set in the dying days of the Irish Ascendancy just before the start of WWI and the 1916 Rising ensured that "all changed, changed utterly", it tells the story of two young Irish men. Alex, an upper-class Protestant, and Jerry, a working class Catholic, who become friends despite the class divisions between them: a friendship that's both erotically charged and very strong, and which leads to one of the sta
