## [How To Solve The Mismanagement](#)

### **How To Solve The Mismanagement**

In order to understand how to solve the mismanagement crisis, it is necessary to realize what a real manager should be like. A good manager can't possess all the skills and qualities that should be characteristic of good management in general. However, a manager must have 9 important qualities for successful work in a team. 1. He can perform all four managerial roles though not equally well.
