Biology HL was a subject that took up a large chunk of my revision, as the workload was heavy with the amount of content and the number of requirements. I think the most difficult part of this subject was the time-management aspect of balancing the IA with other requirements and new topics. Laboratory experiments require lots of time, and you will not have enough if you're juggling other ...

English A Literature HL is an intensive course with assessments such as the written commentary, oral commentary and more. As such, much of the course builds upon the skill of reading and analyzing texts. Here are some general tips that I used when analyzing texts for IB English Literature A HL that I hope will help you succeed!
