Using ICT is one of the three Cross-Curricular Skills at the heart of the curriculum. Developing pupils' digital skills encourages them to handle and communicate information, solve problems, pose questions and be creative in using digital technology. The emphasis in Using ICT is on pupils using digital skills appropriately while engaging in meaningful and purposeful activities. Ideally ...

In March, once every three years, schools must submit samples of pupil work to CCEA that represent the levels which the school intends to award to its Year 4 and Year 7 pupils for Using ICT. The pupil work that schools submit to us as part of the external moderation process should reflect the school's shared understanding of the standards agreed through ongoing internal standardisation.
