Putting the exerciser together is easy and quick ... if you read the instructions. First I tried to wing it, and I spent 5 minutes uselessly trying to screw in the left pedal by

turning it clockwise ... only to see in the manual that it had to be turned counterclockwise. Once I followed instructions, it came together in a few minutes. The package comes with all the tools you need and the ...

Crane Pedal Exerciser | ALDI REVIEWER

I bought the Crane Exercise Bike from Aldi and was not sure what the quality would be like, but have been pleasantly surprised. The bike was reasonably easy to put together (note you do need two people when putting the handlebars/resistance mechanism together), with clear instructions. The only part that was confusing was when putting the dial on for the level of resistance - we put it on back ...
