My 2008 jeep liberty locking ./ alarm system has been malfunctioning for a month. I have had the key reprogrammed, I have gotten new keys and it still happens so I'm guessing it's not the key. It actually took a week for the new key to stop working so I'm wondering what's going on with the overall system that it is frying all my keys. The car does start with the key but I have to endure the ...

How to Reset Jeep Liberty Codes by Marc Lucas . Like all vehicles manufactured after 1996, your Jeep Liberty has an on-board diagnostic system (OBD-II). The OBD-II uses various sensors on your vehicle to ensure it is running properly. If a problem is detected, your "check engine" light will come on prompting you that service is needed. If you decide to do the repair work yourself, the "check ...
