The opposite is true with Journeys you will have plenty to work with and will likely set some parts aside. Since there is no how to get started guide included, let me filter things for you a bit. For your daily lessons, the six spiral-bound teacher guides are broken into 5 lessons each. Set the others aside and look only at the one you are currently using. They are divided into color-coded ...

Teachers should use this manual as support material. Some of the examples could be used as they are, while others could serve as a guideline for teachers to design and develop their own ideas. Teachers need to be creative and innovative in their planning. This manual does not replace any previous document and teachers will still need to refer to the Curriculum document, their syllabus guides ...
