### KingPressing - Les spécialistes du nettoyage à sec

King Press®, a division of Robertson Equipment Company Inc., based in Joplin Missouri, is an organization reborn from the original King Press Corporation. The origins of the King product line date back to the late 50's at the beginning of the conversion from letter press's to offset, and has evolved into a major player in the international press market.

Our King Pin Press includes three different forcing screw options, giving you the ability to service everything from 3/4 ton pickups up to Class 8 trucks. A shortened 1 1/4" forcing screw allows you to access king pins from the hardest to reach places and tightest wheel wells - even on busses. We've also included our three most popular tie rod end removers: 7/8", 3/4", and 20mm.

### King Pin Press - Tiger Tool

Manuals for King-Seeley Machines. Look in the "Publication Reprints" section for a manual. Our collection is far from complete, but if you cannot find the exact manual you are looking for, look closely for similar products, as some machines with different model numbers were virtually the same except for the accessories or the motor.
