Amazon.fr - Landscape Site Grading Principles: Grading ...

Grading With Design in Mind: Landscape Site Grading Principles is a comprehensive guide to grading, written specifically from the design perspective. Heavily illustrated and non-technical, this book meets the needs of designers and visual learners by presenting the principles and methods of site grading with less emphasis on engineering, and a strong focus on the effect on the overall aesthetic. Written by a professor in America's number-one ranked undergraduate landscape architecture ...

Landscape Site Grading Principles | Wiley Online Books

Landscape Site Grading Principles teaches grading principles through visual means to better meet the needs of the visual learner. It provides a hands-on approach to allow students to better understand grading principles. This is accomplished by integrating text with illustrative diagrams and actual examples photographed in the everyday landscape.
