The Last Remnant Guide. The Last Remnant is like few JRPGs you've ever played. Huge, challenging and occasionally innovative, it places you in the role of a young man named Rush Sykes who is searching for his kidnapped sister, Irina. What begins as a simple family matter quickly evolves into much more, though, as Rush is joined by the leader of a young country looking to gain its independence while a magical war for possession of magical artifacts known as Remnants ravages the lands.
