## [Popular Culture Mirror Of American](#)

### **Popular Culture Mirror Of American**

They explore the nature of popular culture, popular culture as big business, and major themes that recur in such American institutions as the Hollywood "dream factory," music, sports, and politics. The role of popular culture in political and social change is also explored. Its influence on Americans' choices of life style and leisure pursuits is examined. Each article is preceded by a biographical statement about the author. (Author/AV)

Mirror on America meets students where they are right now. Whether they have lived in America all their lives or have only just arrived, they can consider themselves experts in pop culture. After all, they participate in it every day. Brief, current essays and images on topics like hip-hop, our online lives, and, of course, vampires and zombies spark discussion and critical thinking. And because critical thinking should lead to solid writing, the book's editorial apparatus gives students ...

### **Looking in the Cultural Mirror | Psychology Today**

Blackness, as the entertainment and sports industries well know, is a prized commodity in American pop culture. Marketed to white consumers, black culture invites whites to

view themselves in a mirror of racial difference, while at the same time offering the illusory reassurance that they remain "wholly" white. Charting a rich landscape that includes classic American literature, Hollywood films, pop music, and investigative journalism, Eric Lott reveals the hidden dynamics of this self ...

### **Black Mirror: The Cultural Contradictions of American ...**

The term "popular culture" was coined in the mid-19th century, and it referred to the cultural traditions of the people, in contrast to the "official culture" of the state or governing classes. In broad use today, it is defined in qualitative terms—pop culture is often considered a more superficial or lesser type of artistic expression.

### **The Definition of Popular Culture in Sociology**

Literature is considered the mirror of culture in society. This means that books that are written by a society are influenced by the happenings and life in that society. These books reflect society.

### **What is the mirror of culture in literature? - Answers**

Popular culture (also called mass culture and pop culture) is generally recognized by members of a society as a set of the practices, beliefs, and objects that are dominant or prevalent in a society at a given point in time. Popular culture also encompasses the activities and feelings produced as a result of interaction with these dominant objects.
