If you specify a single date as a revision without specifying a time of day (for example 2006-11-27), you may think that Subversion should give you the last revision that took place on the 27th of November. Instead, you'll get back a revision from the 26th, or even earlier. Remember that Subversion will find the most recent revision of the repository as of the date you give. If you give a date ...

Revisions is a story about this kid who was already during his childhood hinted he would be saving the world one day from 'something'. Just so happens to be, during the high school phase his life starts rolling towards his 'destiny' when bug-alien-robots come to his very school and start wrecking everything and killing students in brutal ways. Naturally, the original fortuneteller appears ...

REVISION | meaning in the Cambridge English Dictionary

Revision literally means to "see again," to look at something from a fresh, critical perspective. It is an ongoing process of rethinking the paper: reconsidering your arguments, reviewing your evidence, refining your purpose, reorganizing your presentation, revising stale prose. But I thought revision was just fixing the commas and spelling. Nope. That's called proofreading. It's an ...
