structured in order to demonstrate that school counselors are advocates, collaborators, and leaders when engaged as consultants. School counselor consultation appears to be a complex process based on a student advocacy disposition shared by consultees, and the process is a collaborative one resulting in recognition as leaders. Many skills are required if one is to be compe-

### **School Counselor Consultation - JULIA GARTEN: EDUCATOR**

Consultation, whether formal or informal, is a critical component in the work of school counselors. Counselors provide valuable contributions to the consultation process, including insights regarding students and their families, as well as facilitation and collaboration skills. Consultation is a collaborative process.
