I have been getting many visitors coming to this blog looking for SKS manuals. I thought this was strange as I only had one small post linking to an SKS manual. It turns out that SKS manuals are very hard to find! Many sites are selling the PDF versions of

old manuals that have either had their copyright expired, in which case should be free, or they in face do not have the right to sell and ...

Overall The Official SKS Manual is not a great *modern* 'instruction book,' but still has lots of practical and interesting info for the SKS owner. There are web sites out there that cover stripping and cleaning in far more detail. The book is a good read, but if you're only going to own ONE book on the SKS, I don't think this would be it.
