The Change Masters: Corporate Entrepreneurs at Work ...

The author defines a "change master" as someone who can manage change effectively; they understand the architecture and strategy of change and the importance of the organizational environment. To stay ahead of this changing environment, firms need to stimulate more innovation, enterprise, and initiative. They must place more emphasis and value on individuals, who - in the right circumstances - come up with innovations. Firms must investment in people and long-term profitability ...

Change Masters: Innovation and Entrepreneurship in the ...

Rosabeth Moss Kanter sets the stage in this book (1983) for her perceptive study of companies in her most recent book -- Supercorp -- in which she deepens her understanding (and ours) of how "change masters" are activists for what she now calls "vanguard" companies. This is a solid basis for learning how leaders lead organizations, transforming to take advantage of opportunities and overcome challenges. As a communications counselor and teacher, I consider Kanter as one of the very best ...

The change masters: corporate entrepreneurs at work ...

The ultimate change masters are corporate leaders, who translate their vision into a new organisational reality. The Change Masters advocates "participation management"

as the means to greater empowerment. Some major "building blocks" for productive change are identified, and practical measures to remove "road blocks" to innovation are discussed.
