In American history, this notion is thought to be especially evident in World War II as America and its allies defended democracy and freedom against fascism. But in *The Politics of War*, author Gabriel Kolko takes a closer look at American foreign policy from 1943-1945 as he examines the motives of the big three - the United States, Great Britain, and Soviet Russia.

The War of the Spanish Succession lasted 11 years, and ended when the Treaty of Utrecht was signed in 1714. Less than 50 years later, in 1740, war broke out again, sparked by the invasion of Silesia, part of Austria, by King Frederick II of Prussia. Britain, the Netherlands and Hungary supported Maria Theresa.

In inspiring essays, a group of internationally renowned scholars unravels the moral and political choices facing European governments in the war's aftermath: how to punish the guilty, how to decide who was guilty of what, how to convert often unspeakable and conflicted war experiences and memories into serviceable, even uplifting accounts of national history. In short, these scholars explore how the drama of the immediate past was (and was not) successfully "overcome." Through their ...

In this fascinating yet often macabre account, Lisa M. Budreau reveals the complicated circumstances facing the nation after World War I, in its efforts to lay thousands of dead to rest, and how its leaders chose to honor these American sacrifices. She unpacks the politics and processes of the competing interest groups involved in the three core components of this story: repatriation, remembrance, and return. Throughout, and with sensitivity to issues of race and gender,
