David Bosch, himself, says that when Transforming Mission was suggested as a title for this work he had misgivings about it, but in its ambiguity it has proved to be a most helpful reflection of both the major theses of the book. (Bosch: 2005: xv). The ambiguity lies in that mission is both something, which transforms and effective mission is itself something that is constantly transforming. Bosch's argument throughout the three major sections of the book (New Testament Models ...

Bosch, David, J. (1996) Transforming Mission, New York: Orbis Books The Bible is not to be treated as a storehouse of truths on which we can draw at random. There are no immutable and objectively correct "laws of mission" to which exegesis of Scripture gives us access and which provide us with blueprints we can apply in every situation.

Bosch posits that mission has been transforming itself throughout history. Mission in the early church looked different from mission in the Enlightenment and is looking different as we enter the postmodern age. Bosch believed that this transformation was good and needed to be continued because we never have arrived; the way of accomplishing mission can always be improved. On another level, transforming describes the influence mission has on the world around us. An essential element of mission is

David Bosch's fascinating and thick Transforming Mission: Paradigm Shifts in the Theology of Mission (1991) provides, as best as I can tell, the script from which ecumenicals, emergents, and traditional mainliners all read. Bosch sees liberals and

fundamentalists as two sides of the Enlightenment coin. Both privatize Christianity. Both reduce the church to “a place where things happen ...
