### **Amazon.fr - Union Soldiers and the Northern Home Front ...**

Taken as a whole, the essays in Union Soldiers and the Northern Home Front provide a better understanding of the larger scope and depth of wartime events experienced by both civilians and soldiers and of the ways those events nurtured the enduring connections between those who fought and those who remained at home. In that regard, the essays go to the very heart of the Civil War experience.

Information and Articles About Union (Northern) Soldiers of the American Civil War. Union Soldiers summary: The number of Union soldiers is estimated to be between 1.5 million and 2.4 million. Though the majority of the Union Soldiers were volunteers, estimates are that 5 to 6 percent were conscripts. A fourth of the Union soldiers came from outside of America. Of all soldiers, about 1,600,000 were males born in this country. Another 516,000 were either born in Germany or of German origin ...

The Northeast and Midwest provided soldiers, food, horses, financial support, and training camps. Army hospitals were set up across the Union. Most Northern states had Republican governors who energetically supported the war effort and suppressed anti-war subversion, particularly that that arose in 1863-64.

### **Across the divide: Union soldiers view the northern home front**

During the American Civil War, the Union Army, also called the Northern Army, referred to the United States Army, the land force that fought to preserve the Union of the collective states. Also known as the Federal Army, it proved essential to the preservation of the United States as a working, viable republic.

### **Union Army - Wikipedia**

The most personal one, however, was the gender divide between Union soldiers and Northern women. Northern men went off to war with a well-defined concept of gender roles. Changes in the antebellum economy, especially for the middle class, had established clear social and economic roles for both genders, defining women as the centers of religious and moral purity and men as economic providers and family protectors. The Civil War, however, shattered that conception and placed both men and ...
